July 9, 2019

Dear Property Vendor:

It is almost that time of the year again: the 2019 MSU Housing Fair will take place on Wednesday, October 9, 2019 from 11:00 a.m. to 4:00 p.m. in the ballroom on the second floor of the MSU Union. The Housing Fair is a program which educates MSU students about their on and off campus housing options, as well as their rights and responsibilities as members of the community. We are seeking area property representatives, service, and education providers to join us in making this another successful event for our students.

As in years past, various property representatives, on-campus housing, and related educational and service organizations will be in attendance. Property representatives for apartments, houses, and co-op living will showcase their housing options and answer any questions that students have. While no lease signing is allowed at this event, many valuable connections are made that benefit the students and the property representatives. Our goal in organizing this fair is to provide students with important educational information they need to make informed housing decisions. We hope students will use this opportunity to learn about the community and all of their living options.

Another feature returning this year is the Big Screen Project. This is a compilation video of PowerPoint slides submitted by property representatives and education/service providers to further educate students about housing options and services. If you are interested, you may submit up to three PowerPoint slides for this video to maillar2@msu.edu. The deadline for submission is October 2, 2019.
